

## Confidentiality Agreement

We are all at different points in our developmental journey. We are still growing, adapting, changing, and building our skills. Little Sprouts is a safe place for everyone to gather and grow together. Part of being in this group is to make sure everyone feels comfortable to share, grow and learn. With this in mind, we ask that what happens at Little Sprouts stays confidential, including the names of participants. We understand that you and your child are going to have moments you will want to celebrate and share with the important people in your life. We encourage this, but ask that you only share about yourself and your child. This includes social media. Please only post about you and your child. Do not post anything, especially names and pictures, that include other members of Little Sprouts without permission from those members.

By signing below, I agree to the confidentiality terms above.
